

St Julian's Parish

Altar Servers

Who are we?

Maybe you have seen some of us when you come to mass on Sunday. We are a group of children that help the priest during the Mass. By doing so we also help the people that come to Church to participate and pray. Yet being an altar server means also to be closer to Jesus when he comes in our midst in the Eucharist. Apart from our service during the Mass, we also meet to play together and to learn more about Christ.

Want to join us? Fill the application form below and give it to one of the priests next Sunday!

Name and Surname: _____
